

ILLUSTRATIVE EXAMPLE - NOT A CUSTOMER REPORT

Asset Recovery Summary

Batch AR-2048 | Example reporting date: 18 September 2026

This example shows how recorded outcomes and evidence gaps can be presented. All identifiers and quantities are fictional.

Recorded Outcomes

Outcome	Assets	Share
Ready for reuse	96	75%
Recycling	24	18.75%
Under review	8	6.25%
Total received	128	100%

120 outcomes recorded. 8 assets await review.

Example Evidence Register

Collection record: example reference COL-2048

Facility receipt: example reference REC-2048

Outcome evidence: 120 records marked complete

Outstanding items: evidence still required for 8 assets

What This Report Does Not Establish

No carbon-saving calculation is included. Any environmental claim would require a stated calculation method and verified inputs. This example is not a destruction certificate, a compliance approval or independent verification of an outcome.
